

FSMC YOUNG PROFESSIONALS GROUP

Our Mission

To engage, empower and educate future young leaders of Morris County in the many services and programs that impact over 7,000 children, families and seniors. Through education, fundraising, and networking initiatives, the group will learn about issues affecting the community, and directly help their neighbors in need.

Four Primary Areas of Focus

Recruitment

Engage young business professionals in the Morris County area who are interested in networking and learning more about community involvement through the FSMC. New members will be encouraged to volunteer their time to help achieve the mission.

Fundraising

Work together throughout the year to coordinate the planning and promotion of fundraising events including the Bowl-a-thon which is a yearly event organized by the Young Professionals Group

Education

Educate ourselves and the community about FSMC by incorporating the history and mission into all committee activities.

Social Networking

Engage young professionals and use social networking sites (i.e. Facebook, LinkedIn, Twitter, MySpace) and any new electronic social avenues to help educate the public about FSMC programs.

For more information, contact Pamela DeMassi at (973) 538-5260 x 311 or by email at pdemassi@fsmc.org.

Family Service of Morris County, a private non-profit organization, offers over twenty innovative programs that provide counseling, education, advocacy and support to over 7,000 children, families and seniors in the community.
