

**Family Service
of Morris County**

Former President of the FSMC Board of Managers Ralph Engelsman returns in full force to promote a cause near and dear to his heart—as he puts it, “perpetuating innovative and forward looking FSMC programs.” During Ralph’s tenure he was an inspirational leader as we helped Morris County residents through the disaster of September 11, 2001. Today, as Honorary Chair for the FSMC Planned Giving Campaign, Ralph is thinking about the next 200 years. Planned or deferred gifts allow FSMC to prepare confidently for the future. There are many ways to consider investing in the continuation of FSMC’s work. For instance, you can name FSMC in your will or trust; designate FSMC as one of the beneficiaries of a life insurance policy or in your retirement plan and/or IRA account; or consider Life Income annuities. You decide what is right for you after consulting with your attorney. Any planned gift makes you a member of the FSMC 1813 Legacy Society, and ensures that future Morris County families continue to benefit from our innovative services. For more information about how it pays to be charitable, contact Director of Development [Janet Horowitz](#) at (973) 538-5260, x 310.
